

About The Instructor: My firearms training started over two decades ago in the United States Coast Guard. I have had the opportunity to be selected as an adjunct firearms instructor for the New Jersey State Police Academy. As well as being an instructor for the U.S. Coast Guard. My certifications are many, here are just a few: USCG Small Arms Instructor, New Jersey State Police Firearms Instructor, Weaponry Survival Tactics Program Instructor, FBI Hostage Negotiator & Crisis Intervention & NRA Law Enforcement Activities Division Certified Firearms Instructor. Having been involved in various training environments and having worked with all walks of life; I believe that my personable skills and caring for quality teaching will benefit both the student and teacher. I have learned so much from those I have taught.

Personal Defense Class

PDC Class \$300 Per Person

This is an 8 hour course involving the use of firearms for personal defense. If you carry a concealed firearm, you already know that it is a massive responsibility. This course covers drawing from a concealed holster, target acquisition. Practical exercises will include identifying threats and finding a quick and safe exit as well as what to do if you cannot exit WITH COMPLETE SAFETY!

Basic Marksmanship Class

MCB Class \$100 Per Person

4 Hour class with a strict focus on the fundamentals of marksmanship. The fundamentals must be learned correctly, committed to the sub-conscious through repetition, and consistently applied to effectively use firearms.

Marksmanship Class Intermediate

MCI Class \$150 Per Person

This 6 hour class includes a review of the fundamentals of marksmanship then moves into the live fire. While on the range, you will get the opportunity to apply your training and skills in a safe and structured atmosphere. This course is designed to increase your speed and accuracy through sound training.

Law Enforcement Firearms Training (Handgun and Shotgun)

Please Contact The Instructor For Pricing.

As a NRA Law Enforcement Activities Division certified instructor, you can rest assured that your training needs will be met. Even if you have an instructor on your department, having another instructor will allow the training to be completed with more efficiency resulting in less cost for officer hours.

Tactical Shooting Courses

Weaponry Survival Tactics training is available to law enforcement only!!!

This course covers survival tactics with the use of the duty sidearm and shotgun.
